

Lee Wulff Trout Unlimited 2022 Spring Outings

The Spring Outing calendar for LWTU for 2022 has been tentatively set as follows:

Early Spring Outing Fennimore, WI April 28-May 1

The year's first outing will be to the Fennimore area, with fishing available on the Little Green River, Big Green River, Castle Rock Creek, Blue River and a variety of other tributaries and creeks. Details on reservations and activities will follow early in 2022.

Spring Outing/Colorado Chapter Exchange Viroqua/Westby, WI May 19-22

Our spring trip to the Viroqua/Westby area (May 19-22) will include a new wrinkle; we will be joined by some anglers from the Colorado West Denver TU chapter that our former LWTU President, Bob Becker, has joined. We envision this as an exchange program, with a reciprocal visit to Colorado for interested LWTU members, to be scheduled sometime during mid to late July (after the spring runoff has ended).

We're looking for individual LWTU members who will volunteer to guide visiting anglers on Driftless area waters around Viroqua/Westby on a 1:1 or 1:2 basis, on one or more days of the outing. If interested please contact Ralph Lessor (new LWTU Outings Coordinator, email r_lessor@msn.com) by the end of this year. Volunteer guides for this outing would have preference for inclusion in the reciprocal outing to Colorado, with members of the West Denver chapter acting as guides to their local waters, if that outing ends up with space limitations. If you're interested in fishing in Colorado with the group, whether you will be able to guide anglers in May or not, please let Ralph know.

Accommodations for this outing will likely be at the Logan Mill Lodge in Westby, which offers better opportunities for socialization and exchange of fish stories than the Vernon Inn, but to reserve these rooms we will need a preliminary headcount, so if you're interested let us know ASAP.

Late Spring Outing Wa-Wa-Sum replacement Late June

Due to declining attendance by LWTU members and decreased fishing quality, the Board has decided not to renew our window at Wa-Wa-Sum in Michigan, to allow other groups that can more fully utilize the facility a chance to experience it. Instead, we will likely organize a second outing to the Viroqua/Westby area if there is sufficient interest. Details to follow early in 2022.

Colorado Exchange Outing July

See above for information; details will follow once we've worked them out with the Colorado chapter.
