

Lee Wulff Trout Unlimited 2022 Spring Outings

Early Spring Outing Fennimore, WI April 28-May 1

The previously held rooms have been released for use by other motel customers, but rooms may still be available, call Mike at Napp's Motel, Telephone 608-822-3226. The traditional bratwurst supper gathering is tentatively planned for Friday evening, but this will be dependent on whether the Napp's meeting room is available and/or weather forecast. For those who are not aware, Mike's wife Maria passed away in late March.

Contact the Outings Coordinator, Ralph Lessor (r_lessor@msn.com) if you will be attending.

Spring Outing/Colorado Chapter Exchange Viroqua/Westby, WI May 19-22

Limited space still available!!

Our spring trip to the Viroqua/Westby area (May 19-22) will include a new wrinkle; we will be joined by some guest anglers from the Colorado West Denver TU chapter. This will be an exchange program, with a reciprocal visit to Colorado for interested LWTU member (see below). We're still looking for individual LWTU members who will volunteer to guide visiting anglers on Driftless area waters around Viroqua/Westby on a 1:1 or 1:2 basis, on one or more days of the outing. If interested please contact Ralph Lessor (new LWTU Outings Coordinator, email r_lessor@msn.com). Volunteer guides for this outing would have preference for inclusion in the reciprocal outing to Colorado, with members of the West Denver chapter acting as guides to their local waters, if that outing ends up with space limitations.

Accommodations, at Logan Mill Lodge in Westby, WI, will include three nights double occupancy (two beds per room) and modest breakfast and beverage amenities (coffee, bagels/donuts, soda and bottled water in the fridge). We are trying to arrange a catered group meal for Thursday evening which would involve an additional charge. We will also be arranging a group dinner during the weekend at the Old Towne, a traditional Wisconsin supper club. Deposit of \$220, payable to Lee Wulff Chapter Trout Unlimited, will cover most or all of the lodging costs, depending on the exact number of people we have. Deposits are nonrefundable unless you can find someone to take your spot, as the Chapter must pay for the lodging well in advance of the outing. The lodge is a nonsmoking facility, and anglers may bring their own adult beverages (in moderation). To reserve your spot and be kept up to date on plans, contact the LWTU Outings Coordinator, Ralph Lessor (mailto:r_lessor@msn.com, 908-295-9728). If you have a preferred roommate, please let Ralph know.

Late Spring Outing Wa-Wa-Sum replacement Late June

Due to declining attendance by LWTU members and decreased fishing quality, the Board has decided not to renew our window at Wa-Wa-Sum in Michigan, to allow other groups that can more fully utilize the facility a chance to experience it. Instead, we will likely organize a second outing to the Viroqua/Westby area if there is sufficient interest. Details to follow.

Colorado Exchange Outing Near Frisco, CO July 14-17

The West Denver Trout Unlimited Chapter has scheduled the Colorado leg of the Exchange for July 14-17, 2022, if you're interested in fishing in Colorado with the group, whether you will be able to guide anglers in May or not, please let Ralph know. More details to follow.

LWTU Fall Outing and Workday Westby/Viroqua, WI September 8-11

The Chapter's fall outing will be in the Westby/Viroqua area on September 8-11, 2022. Group accommodations have been arranged at Logan Mill Lodge. Limited additional space may be available, please contact the Outings Coordinator for details. Alternatively, members may make their own reservations at a local area hotel.

The Chapter Workday even will be on Saturday, 9/10. We will be building three stiles in the Timber Coulee area, in collaboration with members of the Gary Borger chapter, workers should plan to rendezvous at the intersection of County Roads X and P at 7:30 AM on 8/10. If you are planning to attend, please contact the Outings Coordinator to sign up R_lessor@msn.com.
