

## The Deaf Man's Fly

Hook: Daiichi 1251 size 14-18

Tail: 4 wood duck fibers

Body: over a tapered thread build up wind gold holographic tinsel

Wing: black squirrel tail hair tips to hook bend

Legs: bent down base of the wing hairs trimmed

Collar: peacock herl

I have added a couple of wood duck fibers between the collar and the bead as a shroud for the emerging caddis look
